paper.
It is not, I believe, generally known that our neighboring city of Wichita affords to those afflicted with any of the various diseases of the eye, car or any of the cases requiring surgical skill, an opportunity for medical treatment equal to any in the United States.

quire treatment for a time under the doctor's personal supervision, is the pleasant, homelike and comfortable character of the Institute. The arrangements for board and lodging of patients are under the special care of of Mrs. E. Y. Munsell, and are perfect in every detail. Charges are much less than in like institutions farther east, and the kindest of treatment is assured in every case.

For fear of occupying too much of your space, I shall not give a detailed account of the various case: I saw treated, suffice it to say that among them were cases of catarrh, polypus in the nose, ear troubles, removal of tumors, straightening cross eyes and removal of hopelessly diseased eyes, all of which were successful. I could mention many other cases of chronic diseases and deformities of every character which I know of but did not see.

which I know of but did not see.
In conclusion I will say to any unfortunates requiring medical treatment, whatever the nature of your troubles, do not give up until you try br. Munsell. You are certain of kind treatment and very reasonable charges. Yours respectfully,
